Sorry to bother you but My computer here says  
I owe Financial Restitution payments, even though  
you just send me the receipt for them. It said  
\$68.00 Considered for FRP. Payment. Could you ask  
them to fix it.

STAFF Seems Set on charging me these  
payments for which I have a receipt for. Could  
you make sure the money doesn't leave my acct.  
Or nothing happens to me in the process. They don't  
have straight records after I paid my fines.
